

Application for Medicare Supplement Household Discount

A nonprofit corporation and independent licensee of the Blue Cross and Blue Shield Association

Members who live at the same residential address may be eligible for a household discount. Each Medicare eligible adult must have a Blue Cross Medicare Supplement or Legacy Medigap plan and be a permanent resident in the same household. The discounted rate will apply as long as each policy considered for the discount remains in force.

Household is defined as condominium unit, a single-family home, or an apartment unit within an apartment complex.

Assisted living facilities, group homes, adult day care facilities, nursing homes or any other health residential facilities are *not* included in the definition of household.
