Where do you begin when you are ready to start your own dental practice? What are critical things you need to know if you want to be a successful practice owner? The Dental Business Academy is here to help answer those questions. In addition to learning about practice ownership, you will have the benefit of interacting with a network of peers from across the country and a proven team of experts for you to leverage.

- Hire the right team and keep them motivated
- Know when and which corporate entity to choose
- Attract new patients and keep them coming back
- Maximize profitability through cash flow and taxation strategies
- Properly negotiate a lease
- Prepare yourself for loan approval
