

ONLINE RISK MANAGEMENT COURSE *for* DENTAL PROFESSIONAL LIABILITY

Learn the practice of dental risk management. This 4.5 hour lecture will provide an in-depth look at dental malpractice claims and strategies to protect your reputation and practice from unexpected events. Attendees will receive up to 4.5 hours of continuing education credit. PPP insureds will receive 10% professional liability credit for 3 consecutive years. This course is comprised of 8 modules that can be viewed in any order. Please note the completion time on the registration page of each module so you may plan accordingly. All 8 modules must be completed to be eligible for credit. There is no additional cost to take this course.

TO ACCESS THE COURSE:

Go to <https://www.protectorplan.com/ppp-risk-management-webinar/>.
Please review the [instructions](#) before you begin.

WHAT YOU'LL NEED:

- Email Address
- PPP Policy Number
- AGD Membership Number (if applicable)

IMPORTANT:

The Certificate of Completion is provided in the attachments section of each module. When you are completing your last module, please download the certificate BEFORE the PowerPoint presentation concludes.

Please submit your completed certificate to rnc@bbprograms.com in order to obtain premium and AGD (if applicable) credits. Only 1 certificate needs to be submitted.

Questions? Please contact your PPP State Administrator or ppp@bbprograms.com.
