

## PROGRAM FEATURES & BENEFITS

If you're wondering how QDP stacks up against so-called "discount dental plans", or how they are different from accepting PPO insurance in your practice, take a quick look at the easy-to-reference matrix below.

Program Features & Benefits	QDP	Discount Dental Plans	PPOs
No third-party involvement in your practice	Y	N	N
Set your own fee schedule	Y	N	N
Customized to meet your practice needs	Y	N	N
Increases patient loyalty	Y	N	N
Patient fees are collected by and stay with your practice	Y	N	N
Attracts fee-for-service patients to your practice	Y	N	N
Increases collections while reducing overhead	Y	N	N
Increases treatment plan acceptance	Y	N	N
Business Enroll - Enroll local businesses into you plan	Y	N	N
Patients get all preventive care included in their plan fee	Y	N	N
Use your existing practice management software	Y	N	N
Professional marketing and public relations materials included	Y	N	N

**The answer is easy:** QDP ensures that you can provide patients with the peace of mind that comes with having a plan without devaluing the services you provide. Plus, QDP enables you to retain total control over your fees and treatment — keeping third parties out of your practice.

With our "Business Enroll" feature, you can now offer local businesses an easy way sign-up onto your plan by letting us do the heavy lifting for you at no cost to your practice!
